Introduction

The *Reading Horizons Discovery (RHD)* program can be used as a supplemental phonics program to enhance a basal reading series or as a complete phonics program when one is not present in a reading series. The *RHD* program is explicit, sequential, and systematic in teaching consonant and vowel sounds, using a unique marking system for decoding and reading purposes. *RHD Grades 1-3* has six teacher manuals – **Chapters 1-6, Decoding Strategies for Grades 1-3**. The Grades 1-3 teacher manuals include lessons on the Alphabet (letters/sounds), Building Words, Nonsense Words, Blends, Special Vowel Combinations, Digraphs, Short and Long vowel sounds (5 Phonetic Skills/Vowel Patterns), Syllabication (Decoding Skills 1 and 2), Y as a Vowel, R-Controlled Vowels (Murmur Diphthongs), Common Diphthongs (Special Vowel Sounds), Prefixes/Suffixes, and many more skills, 15 Grammar/Reference Lessons, and 22 Most Common Word lists (300 words total). The **teacher manuals for RHD Grades 1-3** (there are 6 Chapters/Manuals) will be referred as **Grades 1-3**. The **lessons** will be, **Lsn**, and page numbers will be indicated, **pp**. Example: *RHD Gr 1-3, Ch 1, Lsn 1, pp. 43-57*.

Due to the unique marking system of proving words, it is recommended to teach the Alphabet lessons, Blends, Special Vowel Combinations, and Digraphs in *RHD* order along with the basal reading lessons. The **practice and enrichment pages** on the **Enrichment CD** work as a great reinforcement for practicing the skills being taught. The **stories** in the *Little Books* serve as an excellent source to use for reading with the *RHD* lessons due to the controlled and sequential vocabulary.

RHD contains a **Phonemic Awareness (PA) Section** to be used as a determinant factor of phonemic awareness skills in students. The phonemic awareness lessons are structured to be used as needed.

Harcourt Trophies 1st Grade introduces a short review of the alphabet letters and sounds (written practice as well) as a review of *Kindergarten in Inventory Unit Lessons 1-17, TE 1.1*, prior to the introducing of Thematic Lessons which include the vowels and consonants in beginning word formation (it is understood that students entering 1st grade have the alphabetic phoneme/grapheme knowledge). Subsequent lessons/themes involving consonant sounds (initial and final position) with the short vowel sounds are taught (phonograms). Decodable books and Leveled Readers for student reading are included in each lesson. The **teacher editions** for 1st grade (there are 5) will be referred as **1.1 – 1.5**. The **lessons** are **thematic** in each teacher edition and will be referred to as **Th-**, **Lsn-**; the specific **day** within the lesson the skill is introduced is **d-**.

The following implementation guide shows the RHD sequence of phonics instruction, correlating the Harcourt Trophies phonics lessons to the RHD sequence. We recommend you follow the RHD sequence and use the marking system when teaching the phonic skills in Harcourt Trophies. When using the practice pages from Harcourt, be sure to encourage your students to use the RHD marking system when decoding words. Supplement with

materials as instructed in each *RHD* Lesson Summary, the Enrichment CD, and *Little Books* to reinforce each skill. *RHD* Practice and Enrichment Pages, Skill Checks and Chapter Assessments are found on the Reading Horizons webpage www.RHAccelerate.com/.

-LE at the End of a Word:

Harcourt Trophies -- /l/ taught as syllable -le: 1.3, Th-4, Lsn-5, d-1. (Teaching to syllabicate/decode words with a marking system is not taught in a formal lesson. It is introduced as a phonemic awareness skill listening for the vowel sound and clapping the syllable).

Reading Horizons Discovery® -- **-LE at the End of a Word, Gr 1-3**, Ch 4, Lsn 69, pp. 85-93.

Implementation -- Teach words ending in *-le* have an understood vowel sound, thus making it a syllable. Students will learn how to decode and pronounce words ending with *-le* spelling.

Specific markings are introduced to aid students in decoding the vowel sound in a word. Use marking system to 'prove' syllables/words. Reinforce skills with practice pages and differentiation activities.

When y acts as an adjacent vowel (e.g., -ay/gray, -ey/key) it is silent. ***Exceptions: they, grey, whey, and prey.*

When y is next to a *c* or *g*, it becomes the Rainbow *S* and Rainbow *J* (e.g., *cyst, gym*).

Building/Making Words

Decoding Exceptions:

Reading Horizons Discovery® -- Decoding Exceptions, **Gr 1-3, Ch 5, Lsn 91, pp. 153-161.**

Implementation -- Teach the students the exception to the decoding skill when multi-syllabic words do not follow the Two Decoding Skills. For correct pronunciation of the word, a vowel change needs to take place. Long vowels can be marked as “short” but never the reverse. Follow the decoding skills for syllabication and introduce the new markings for the vowels in those syllables. Use marking system to ‘prove’ syllables/words. Implementation -- Teach when double consonants occur in a multi-syllabic word, the first of the double consonants is usually not pronounced.

Teach Double Cs: when the vowels *a*, *o*, or *u* follows double *c*, only one sound for *c* is heard /k/ (e.g., *accord*, *account*); when vowels *i* or *e* follow double *c*, two sounds for *c* are heard /k/ and /s/ (e.g., *accent*, *access*).

Specific markings are introduced to aid students in decoding the vowel sound in a word. Use marking system to 'prove' syllables/words. Reinforce skills with practice pages and differentiation activities.

Use Blends Poster, 42 Sounds Poster, Five Phonetic Skills Poster, Whole Class and Student Transfer Cards.

Many Jobs of Y:

Harcourt Trophies -- Y as short 'i': not taught in 1st grade.

Long 'e' spelled -ey: not taught in 1st grade.

Reading Horizons Discovery® -- Many Jobs of Y, **Gr 1-3**, Ch 4, Lsn 59, pp. 5-15.

Implementation -- Teach y at the beginning of a word is a consonant.

Teach when y is anywhere else in a word, it is a vowel. In single-syllable words, when y is the working vowel it will 'take' the vowel *i* (short and long *i*) follow Phonetic Skills 1-4.

When y acts as an adjacent vowel (e.g., -ay/gray, -ey/key) it is silent. ***Exceptions*: they, grey, whey, and prey.

When y is next to a *c* or *g*, it becomes the Rainbow *S* and Rainbow *J* (e.g., *cyst*, *gym*).

Specific markings are introduced to aid students in decoding the vowel sound in a word. Use marking system to 'prove' words. Reinforce skills with practice pages and differentiation activities.

Other Sounds for EA and IE/EI:

Harcourt Trophies -- Long 'a' spelled ea: not taught in 1st grade.

Long 'e' spelled ie: not taught in 1st grade.

Reading Horizons Discovery® -- Other Sounds for EA and IE/EI, **Gr 1-3**, Ch 6, Lsn 95, pp. 3-15.

- Long ē (e.g., *meat*).
- Short ĕ (e.g., *bread*).
- Long ā (e.g., *great*, *steak*, *break*, *yea*).
- Both sounds *e* and *a* are heard, place a dot under each vowel (e.g., *create*, *idea*).

Correlation

Teach there are five sounds for the *ie* adjacent vowel:

- Long *ī* (e.g., *tie*).

- *E* comes before *I* except after *c*, long *ē* (e.g., *receive*).
- *Ei* says long *ā* (*vein, weigh*).
- Both sounds *i* and *e* are heard, place a dot under each vowel (e.g., *diet, quiet*).

Reading Horizons Discovery® -- Other Suffixes: -TION, -SION, and -OUS, **Gr 1-3**, Ch 5, Lsn 93, pp. 169-181.

Implementation -- Students will learn and identify the tion/sion/ous /shun/, /zhun/, and /us/ syllable (or suffix) in words. Teach the spelling, pronunciation, and decoding strategies/markings system for decoding multi-syllable words containing -tion, -sion, and -ous.

-TION makes the /shun/ sound, it is its own syllable in a word.

-SION has two sounds: -sion makes the /shun/ sound when preceded by the consonants *s, n, or l* (e.g., *mission, expansion, compulsion*). -SION makes the /zhun/ sound when preceded by a vowel or Murmur Diphthong (e.g., *lesion, aversion*).

-TIAL has the /shul/ sound.

-US and -OUS both have the sound /us/: words ending in -ous are adjectives and words ending in -us are nouns.

-IST and -EST: words ending in -ist are nouns, words ending in -est are usually adjectives.

Use marking system to ‘prove’ syllables/words. Use word bank at the end of the lesson for dictation practice. Reinforce skills with practice pages and differentiation activities.

Use Blends Poster, 42 Sounds Poster, Five Phonetic Skills Poster, Whole Class and Student Transfer Cards.
