Name _____

The name of this letter is *q*. *Q* is a consonant. *Q* has no sound when it stands alone. It must always stand with *u*. Because *q* and *u* stay together, we join them with an arc. The sound of *qu* is /kw/, like *k* and *w* together.

Lesson 33: Consonant Q

Write a row of each letter matching the example at the beginning of each row. Remember to join *qu* with an arc. Say the name of the letter and the sound of *qu* each time you write them: *qu*, /kw/; *qu*, /kw/.
