# Introduction

The *Reading Horizons Discovery (RHD)* program can be used as a supplemental phonics program to enhance a basal reading series or as a complete phonics program when one is not present in a reading series. The *RHD* program is explicit, sequential, and systematic in teaching consonant and vowel sounds, using a unique marking system for decoding and reading purposes. *RHD Grades 1-3* has six teacher manuals – **Chapters 1-6, Decoding Strategies for Grades 1-3**. The Grades 1-3 teacher manuals include lessons on the Alphabet (letters/sounds), Building Words, Nonsense Words, Blends, Special Vowel Combinations, Digraphs, Short and Long vowel sounds (5 Phonetic Skills/Vowel Patterns), Syllabication (Decoding Skills 1 and 2), Y as a Vowel, R-Controlled Vowels (Murmur Diphthongs), Common Diphthongs (Special Vowel Sounds), Prefixes/Suffixes, and many more skills, 15 Grammar/Reference Lessons, and 22 Most Common Word lists (300 words total). The **teacher manuals for RHD Grades 1-3** (there are 6 Chapters/Manuals) will be referred as **Grades 1-3**. The **lessons** will be, **Lsn**, and page numbers will be indicated, **pp**. Example: *RHD Gr 1-3, Chpt 1, Lsn 1, pp. 43-57*.

Due to the unique marking system of proving words, it is recommended to teach the Alphabet lessons, Blends, Special Vowel Combinations, and Digraphs in *RHD* order along with the basal reading lessons. The **practice and enrichment pages** on the **Enrichment CD** work as a great reinforcement for practicing the skills being taught.

*RHD* contains a **Phonemic Awareness (PA) Section** to be used as a determinant factor of phonemic awareness skills in students. The phonemic awareness lessons are structured to be used as needed.

**Macmillan/McGraw-Hill Treasures 1st Grade** lessons are presented as **Units/Teacher Edition (U)**, **Week (wk-)**; there are **6 Units/ Teacher Editions for 2nd Grade (U2.1, U2.2, U2.3, U2.4, U2.5, U2.6)**. **Grade 2 lessons focus on phonemic awareness skills, phonics, and high-frequency word-recognition skills**. Prior to Unit 1 is a section review called *Smart Start*. *Smart Start* is a 1 week lesson review of skills taught in 1st (phonemic awareness, phonics, listening and comprehension, vocabulary, and writing). Guided practice of reading rhymes is used to help reinforce the letter sound being reviewed. Each 2nd grade Unit is divided into 5 weeks of specific lessons, and week six is a review and assess. Alphabet Sound/Spelling Cards and Letter Cards are used in *Treasures* for teacher support. Most vowel sounds are taught in word families and students are taught to identify vowel sounds using spelling patterns (example: -am, -en, -ig, -op, -ut).

**The following implementation guide shows the RHD sequence of phonics instruction, correlating the Macmillan/McGraw-Hill Treasures phonics lessons to the RHD sequence. We recommend you follow the RHD sequence and use the marking system when teaching the phonic skills in Macmillan/McGraw-Hill Treasures. When using the practice pages from Macmillan/McGraw-Hill, be sure to encourage your students to use the RHD marking system when decoding words. Supplement with materials as instructed in each RHD Lesson**

**Gr 1-3, Lesson 90, Spelling with -KE, -CK, -K, and -C, pp. 141-151**

Treasures -- Not taught to be recognized as a regular spelling skill, only taught as a phonics/reading skill.

Implementation -- The /k/ sound has various spellings depending on the vowel sound and where it falls in a syllable in a word.

Teach the spelling rules associated with /k/ as an ending sound (-ke, -ck, -k, -c).

- Short vowel and no other consonant is heard next to the /k/, use -ck spelling.
- Adjacent Vowel words, Murmur Diphthong words, Special Vowel Combination words, and words that have an *l* or *n* preceding the *k*, use -k spelling.
- When the /k/ is heard in the middle of a multi-syllabic word or at the end of a multi-syllabic word, usually the -c spelling is used (*deduct*, *picnic*).

## **Gr 1-3, Lesson 93, Other Suffixes: -TION, -SION, and -OUS, pp. 169-181**

Treasures -- -tion: not taught as a spelling/grammar skill in 2nd grade.

-sion: not taught as a spelling/grammar skill in 2nd grade.

-ous: not taught in 2nd grade.

Implementation -- Students will learn and identify the tion/sion/ous /shun/, /zhun/, and /us/ syllable (or suffix) in words. Teach the spelling, pronunciation, and decoding strategies/markings system for decoding multi-syllable words containing -tion, -sion, and -ous.

-TION makes the /shun/ sound, it is its own syllable in a word.

-SION has two sounds: -sion makes the /shun/ sound when preceded by the consonants *s*, *n*, or *l* (e.g., *mission*, *expansion*, *compulsion*). -SION makes the /zhun/ sound when preceded by a vowel or Murmur Diphthong (e.g., *lesion*, *aversion*).

-TIAL has the /shul/ sound.

-US and -OUS both have the sound /us/: words ending in -ous are adjectives and words ending in -us are nouns.

-IST and -EST: words ending in -ist are nouns, words ending in -est are usually adjectives.

Use marking system to 'prove' syllables/words. Use word bank at the end of the lesson for dictation practice. Reinforce skills with practice pages and differentiation activities.

Read corresponding *Reading Horizons Discovery*® Little Book.

## **Gr 1-3, Lesson 94, Letter Combinations that Split, pp. 183-194**

Treasures -- Not taught in 2nd grade.

Implementation -- Teach that some letter combinations will split in multi-syllabic words. Some blends will split for decoding purposes in multi-syllable words (e.g., *sc/escape*, *sk/basket*, *sp/dispose*, *st/mister*).

The Digraph *gn* will split if it comes in the middle of a word (e.g., *signet*).

Some Special Vowel Combinations may split in a multi-syllable word. The *-ng* and *-nk* usually keeps its vowel sound (e.g., *an-ger*, *sin-gle*); vowels in the *-ll* usually become short (e.g., *gall*, *gal-lows*).

Use marking system to 'prove' syllables/words. Use word bank at the end of the lesson for dictation practice. Reinforce skills with practice pages and differentiation activities.

Use Blends Poster, 42 Sounds Poster, Five Phonetic Skills Poster, Whole Class and Student Transfer Cards.

Use the special marking system to 'prove' syllables/words. Use word bank at the end of the lesson for dictation practice. Reinforce skills with practice pages and differentiation activities.

Read corresponding *Reading Horizons Discovery*® Little Book.

## **Gr 1-3, Lesson 96, Reversed Vowels, pp. 17-28**

Implementation -- Teach students to know the particular spelling clues for single syllable words ending with the sound of /s/ using -ss, -se, or -ce:

- one-syllable, short vowel words with no vowel preceding the /s/ sound, spelled -ss.
- one-syllable, long vowel words ending in /s/ sound, spelled -ce (exceptions: *base, case, chase, vase*).
