Mid-year Adoption Incentive!

How are your early test scores looking?
Are you considering a remediation plan to get your underperforming schools back on track?
Reading Horizons® has a mid-year adoption incentive designed to help.

For nearly 40 years, Reading Horizons has helped over 50,000 educators with an explicit, systematic, multi-sensory literacy program based on the Science of Reading. Discover the full story! Connect with fellow educators to drive academic success for your K-3 students and teachers.

Highlights of the program include:

- Sound Wall Instruction Connected Directly to Phonics Lessons
- Differentiation and Transfer Opportunities
- Decodable Texts
- Grade-Level Specific Content
- Embedded Real-Time Coaching
